

## Looks "Very Promising"

### Report Good Showing Oil At Husky-Phillips Well

It is reliably reported that a good showing of light gravity oil has been encountered at the Husky-Phillips well now being drilled about five miles south-east of Vulcan.

Results of drill-stem tests are not yet available but it is believed the oil was found at about 5200 feet, and the discovery reported to be "very promising."

The well was originally scheduled as a deep-test to 8500 feet and will likely be completed to that depth.

At the Shell C. & E. No. 1 well west of Vulcan drilling has been completed and the rig is moving to a new location in the same field. Although no official information has been released it appears that preparations are being made to take production off the Madison lime, where a good show of oil was encountered at the interval 6,633 to 6,676 feet.

## Garage Break-in Quickly Solved

A break-in at the Central Garage early last Sunday morning did not remain on the "unsolved" list very long.

Quick action by the R.C.M.P. and town police resulted in the arrest and subsequent conviction of a former employee of the garage and on Monday the young man was sentenced to serve three months in the provincial jail at Lethbridge.

## Showers Honor Young Brides-elect

On Monday evening, July 14, a large number of friends gathered in the Canadian Legion hall to honor Miss Mary June Sproule with a miscellaneous shower.

After a social half-hour, Miss Eloise Whiteside came forward with the gifts in a gaily decorated wheelbarrow and Mrs. Boyd McKay, on behalf of all those present very graciously expressed to Miss Sproule sincere wishes for a very happy future.

Mrs. B. B. Dann and Mrs. W. H. Jones assisted in opening the gifts. Bouquets of peonies were used to decorate the hall and a dainty lunch was served by the hostesses, Miss Ruth Wylie, Mrs. Uretta McIver, Mrs. Jim Berg, Mrs. A. G. Scott and Mrs. J. C. MacMillan, assisted by Miss Marilyn Seales and Miss Joyce Christenson.

The home of Mrs. R. S. Irwin was the scene of a community shower for Miss Fay Fisher, on Friday afternoon, July 18.

A "wedding ring contest", filling in the time until all the guests had arrived, was won by Mrs. H. I. Montgomery and Mrs. Harry McMaisters, both of Nanton. A wedding march was led by the bride-elect, escorted by Mrs. Jack Fisher dressed as a farmer-boy, and took Miss Fisher from the room while gifts were carried to her table in a "little red school house" container. She was assisted in opening the gifts by her mother.

## Edna May Cowell Wed At Calgary

In the glow of candle-light, at Trinity Lutheran Church, Calgary, Miss Edna May Cowell, a native of Vulcan district, and daughter of Mrs. Grace Cowell, became the bride of Mr. Arnold Oliver Albertson, son of Mr. and Mrs. E. O. Albertson of Dairov. The altar, banked with fern, palm, and Snow Princess glads, formed a beautiful background for the double-ring ceremony, performed by Rev. L. E. McFarlane.

The bride, given in marriage by her brother, Mr. J. W. Cowell, wore a period gown featuring a bouffant skirt of white net with strapless bodice, over which was worn a cut-away redingote of Chantilly lace with stand-up collar, and lily-point sleeves. Her delicate finger-tip veil of tulle was edged in lace, and misted from a coronet of seed pearls and rhinestones. She carried a cascade bouquet of American Beauty roses with Stephanotis. Her only jewelry was a double strand of pearls a gift of the groom.

The bride's attendants, Mrs. Elden Scott, sister of the bride as matron of honor, and Miss Valentine Albertson, sister of the groom as bridesmaid, were similarly gowned, respectively in green and yellow net over taffeta, with matching taffeta bolero and net gloves. Both attendants carried bouquets of Picardy Gladiola, Goldlock roses, and Stephanotis, with headresses of Goldlock roses completing their ensembles. Miss Jacqueline Cowell, niece of the bride, as flower girl, wore a mauve net over taffeta gown with matching head-dress. She carried a basket of Goldlock roses and yellow marguerites. Ring bearer was Master Wayne Scott, nephew of the bride.

The groom was attended by Mr. Frank McElroy and guests were ushered by Mr. Elden Scott and Mr. Kenneth Elder.

Prior to the marriage service Mrs. Kenneth Elder, sister of the groom, sang "The Wedding Prayer," and during the signing of the register sang "Dearest of All." The wedding music was played by Mrs. R. Meisness.

Following the ceremony a reception for 40 guests was held in the Cedar Room at the Horseshoe Inn. The toast to the bride was given by Rev. F. G. Mathews, grandfather of the bride.

Later in the evening a wedding dance was held in Chestermere Lake Community Hall.

For travelling the bride and groom wore matching suits of skipper blue, the bride complementing her suit with pink and grey accessories, and an orchid corsage.

On returning from their honeymoon, spent at various points in the United States, Mr. and Mrs. Albertson will make their home at Dairov.

er, Mrs. A. Fisher, and by Mrs. Fred Markert and Mrs. L. Vian.

A lovely lunch was served by Miss Viva Dennison and Mrs. Harry Smith.

## TWINS IN HIS FOOTSTEPS:

Veteran Canadian Pacific Airlines Captain Robert C. Randall (front) of Vancouver, shows his twin sons, Howard (left) and Robert Jr., who have just started their careers as first officers on C.P.A.'s domestic routes, the route he follows on flights between Vancouver and Tokyo for the airline.

The two boys are ready any time to listen to dad, who started flying five years before they were born. Captain Randall began commercial flying in 1928, and his service with the airline dates from 1937, when he flew with one of the smaller companies which amalgamated later to form Canadian Pacific Airlines.

## Moisture Reserves Good

### Warm Weather Needed To Bring Crops Along

Following a week of almost daily heavy showers throughout the district, clear skies and warm weather returned on Wednesday.

Most areas report sufficient moisture now to carry the crop through to maturity and two or three weeks of dry, warm weather is the big need. Crop prospects are generally good.

In the Vulcan district, the worst hail damage to date has occurred in the Alston area, south-west of Vulcan, where three to four thousand acres of cropland suffered hail damage up to 100 percent. North of Vulcan some fields have been damaged as high as 50 percent, but only a relatively small acreage has been damaged to any extent.

## Shower Held For Twin Baby Boys

The twin baby boys of Mr. and Mrs. Gordon Brown were the recipients of many lovely gifts when about 30 ladies gathered at the home of Mrs. F. Chow to tender them with a shower.

Part of the evening was spent in playing contest games, in charge of Mrs. J. O'Connell. A sing song with Mrs. Gladys Koeller at the piano as well as several solos rendered by Mrs. Koeller were enjoyed during the evening.

The gifts, in a decorated baby carriage wheeled in by Kathrine Leon and Judy Brown, were presented by Mrs. H. Peard.

A delicious lunch served by the ladies brought the evening to a close.

## July Meeting of Keystone Class

Miss Nettie Ware was hostess to the Ladies' Keystone Class of the Church of Christ for July. Eight members and three visitors were present. Hymns were sung and prayers said. Response to the roll call was "Something I have seen of interest over the years." Minutes of the last meeting were read and approved.

A letter was read inviting the Class to a Garden Tea at Mrs. Howard Spaeth's later in the month. Mrs. N. Dodson of Nanton gave a very fine devotional, taking for her subject "Japan as the Christian's Second Chance."

Mrs. D. Smith, the president, closed the meeting with prayer after which a lovely lunch was served by the hostess assisted by her sister and cousin. The August meeting will be held at Mrs. L. Jackson's home.

## 25th Anniversaries Of Local Couples Are Celebrated

Two surprise parties honoring two well-known Vulcan couples were held over the weekend. They were unusual in that Mr. and Mrs. F. J. Mensinger and Mr. and Mrs. Roy Fulton celebrated their Silver Wedding anniversaries just two days apart.

On Saturday evening friends of the Mensinger couple gathered at the Mensinger garage at closing time, and proceeded on to the home of Mr. and Mrs. Ross Walker, where the 70 guests joined in honoring "Viola" and "Freddie" as they are known to a large circle of friends. Although originally the party had been planned partly as a lawn party, the weather did not permit this, and the evening was spent indoors. However a most happy social period of visiting and reminiscing was enjoyed by all. Mr. Walker, on behalf of those assembled, presented the bride and groom of a quarter of a century with a set of sterling silver table ware, and expressed the very good wishes of all present for this well esteemed couple to enjoy many more happy wedding anniversaries in our midst. Mr. and Mrs. Mensinger both very graciously thanked their friends for the honor shown them. A delicious lunch was served by the hostesses.

Some 50 friends, relatives and neighbors of Mr. and Mrs. Roy Fulton gathered at the home of Mr. and Mrs. Russell Graham Monday evening to tender them a surprise party on the occasion of their 25th anniversary of their wedding. Hostesses assisting Mrs. Graham were Mrs. Chester Rea, Mrs. George Fulton and Mrs. Roy Deal. Following an hour of card playing a mock wedding was held, which proved extremely mirth provoking. The groom of 25 years ago was the "bride", while the bride in the original ceremony was the "groom". Bill Kidner of Calgary was a "dainty bridesmaid," while Mrs. Mensinger was the "best man." Little Enid Fulton gave the "bride" away and the "flower girl" was Miss Lizzie Fulton. The "ceremony" was performed by Alvie Jacobson. Bouquets of summer flowers were used to decorate the rooms and Mrs. Fulton was presented with a rose corsage. On behalf of those gathered and friends who were unable to be present Mrs. Rea presented the guests of honor with a lovely silver tea service, and extended to them all the best wishes of the community. Mr. and Mrs. Fulton very kindly thanked their friends for their good wishes and the pleasant evening tendered them.

To conclude the occasion a dainty lunch was served, a three-tiered wedding cake, beautifully decorated, centering the table.

Years" and Jay Scott, cousin of the bride, sang "The Loveliest Night of the Year". Both were accompanied at the piano by Mrs. Coleman.

The bride's mother chose for the occasion an afternoon dress of aqua silk mesh, with white and gold accessories, and corsage of pink carnations and sweet peas.

The groom's mother chose an afternoon dress of grey silk crepe with matching accessories and corsage of red carnations.

For travelling the bride donned a beige gabardine suit, with brown accessories and corsage of Talsman roses.

On their return from the honeymoon trip Mr. and Mrs. K. Jones will take up residence in the Reid Hill district.

Out-of-town guests were: Mrs. L. W. Nichols and Miss Martha Nichols of Medicine Hat; Jack Nichols, Mr. and Mrs. Manly Nichols and family, and Miss Eva Desrochers of Edmonton; Cpl. Dale Sproule of Wainwright; W. F. Stamp Jr., Mr. and Mrs. Don Koch and Miss Isabel Robertson of Calgary; Mr. and Mrs. Stewart Nichols, Mrs. Muri Jortis and Ronald Jones of Champion; Mr. and Mrs. C. R. Bechtel, Mr. and Mrs. F. H. Aitken of Lethbridge; Roy Bataiden and Mrs. Ada Bataiden of Travers; Mrs. Fanny Jones, Eckville; Mr. and Mrs. J. Fraser, Carman; and Mrs. Rose Pederson of Seattle, Wash.

## CORRECTION

Due to a typographical error in last week's Advocate, it was stated that those entitled to vote in the forthcoming provincial election were "15 years of age or over." This, of course, should have read "19 years of age and over."

## Rev. J. S. Clarke Guest Minister

### Hold Re-dedication Service Carmangay United Church

Rev. J. S. Clarke of Vulcan was guest minister at the re-dedication service of the Carmangay United Church, held on Sunday, July 20.

He took as his theme: "The Church's One Foundation is Jesus Christ Our Lord," saying that Jesus is the Head of the church universal, whose love filling our hearts so guides and regulates our actions that we will do that which is right in God's sight.

Two numbers, "Did You Think to Pray?" and "Whispering Hope" were sung by the church choir and Mrs. Mary Mercer, one of the younger members of the church when it was first established in 1910, sang "Bless This House."

At the conclusion of the service the congregation gathered in front of the church, where Mrs. A. M. Folk, one of the pioneer church leaders, unveiled the reconstructed cornerstone. This stone, damaged in the years of service, had had an additional face cast to show that in 1910 the church was Methodist and in 1952 is a United Church.

Following the unveiling, Rev. Peter Dawson and Rev. Clarke conducted the service of re-dedication and photographs of the group were taken. Most of those present then retired to the new basement room of the church for refreshments served by the Women's Association and to listen to the reminiscences of the visitors, former

It was announced this week that Mr. Tanner will become President and Managing Director of Merrill Petroleum Ltd., a new company formed from the merger of Merrill Canadian Oil No. 1 Ltd., Cascade Drilling Co. Ltd. and Merrill Development Co. Ltd.

## David S. Smith Nominated As C.C.F. Candidate

At a well attended meeting of the C.C.F. Little Bow Constituency Association held in Vulcan Monday evening, David S. Smith, Vulcan district farmer, was nominated as Co-operative Commonwealth Federation candidate to contest the August 5 provincial election.

Well known in the Vulcan district, Mr. Smith is 37 years of age and a veteran of the Second World War, serving as an aero engine mechanic in the R.C.A.F. from 1941 to 1945.

This brings to three the number of candidates contesting Little Bow constituency in the provincial election to be held August 5. Social Credit candidate is Rev. Peter Dawson, Champion clergyman, who has held the seat since 1935, and the Liberal nominee is Maxwell R. Morrison, O.B.E., Vulcan machine agent.

### Letters to the Editor

The Editor,  
Vulcan Advocate,  
Dear Sir:

I have just finished reading the prevaricating balderdash contained in the so-called open letter of "Disillusioned" in last week's issue of the Advocate. For the first time in a number of years I have no vote, and can therefore take a neutral position in matters political, but since "Disillusioned's" letter attacks the Church one could not let it pass without comment.

On the basis of driving a few nails and an occasional visit to a Church "disillusioned" deigns to speak as ex-cathedra as a Bishop on matters Theological. He has helped out financially with the Church at Champion over the years. For the past five years, Champion church has paid Mr. Dawson the magnificent sum of \$650 per year for salary and transportation expenses. I suppose "disillusioned" contributed at least the price of a half a dozen bottles of hard to this amount. Or does he think that a Liquor Store will contribute more to the enlightenment of a community than the Church.

He asserts by implication that the repeal of the eighteenth amendment in the United States bettered the conditions of that nation. Facts disprove this since there are more per capita infractions of the law, more road deaths, etc., than ever occurred during prohibition. Even the distillers admit this and suggest a man drink in moderation.

He says a Medical convention went on record that the liquor laws of Alberta are antiquated. I agree, they are. But that does not mean that "Disillusioned" can gain the support of competent medical authority for the use of alcoholic drinks for health purposes.

What a loyal citizen "Disillusioned" is. He "sees and hears of many who obtain liquor illegally." Does he go to the proper authorities and lay charges? No Sir. He writes letters to the paper. He who condones an illegal act is a partaker in that act. Be careful "Disillusioned," or is that the reason you would not sign your name to your letter. A better pseudonym might have been "Whu Flung Dung."

I like the thought that High River merchants are waxing fat on what poor Vulcanites are spending on liquor in their community. They have another story to tell and are more inclined to use "Disillusioned's" misquotation re: Oliver Cromwell.

Incidentally, Paul's advice to Timothy re: his tummy, does not mean that everyone is entitled to case harden the lining of his stomach via a Liquor Store.

I am not a betting man, but if I were, I would lay odds that "Max" no more than "Peter" will lend his personal support to the matter advocated by "Disillusioned." There is a perfectly legal way to get what is required.

It would make this letter too long to give facts and figures, but I will deal with "Disillusioned's" letter in church next Sunday morning. I would like him to be present. He will not need a permit. Nor need he put anything on the collection plate, nor will he be allowed to take anything off. I hope he comes and hears and reads and inwardly digests.

Yours truly,  
John S. Clarke.

Editors Note: The Advocate has received another lengthy letter on the same subject but we regret that, due to lack of space in this issue, we are forced to hold it over until next week.

## District News

### MILO

It is to be hoped that the farmers whose crops were damaged by the hail will forgive the glowing account of those crops appearing in last week's paper. Be assured that the article in question was written and mailed before the vicious hail storm struck this district. Now the story is, in many places quite different. Some farmers had their year's work completely wiped out and others suffered less damage. Gardens were pounded into the ground and windows broken by the dozen. In places, two storms struck about 20 minutes apart, causing complete havoc. Some of the stones were as large as golf balls and came down with considerable force. The town itself was hit hard and windows were broken in buildings from one end of main street to the other. Since the storm it has been raining almost every day and many farmers are beginning to wonder if they are supposed to summer fallow this year at all. Now hot weather is needed to ripen the crops but it does seem ironic that people in this notoriously burnt out district should be complaining of too much rain in July.

Mr. and Mrs. Sukut and daughter Norma of Regina, Sask. have been out visiting their son and daughter-in-law, Mr. and Mrs. Irvin Sukut of Milo. They took in one-day of the Stampede and enjoyed it so much that they went back for a second day. They visited Banff and Lake Louise and here is something else we take for granted that is one of the world's wonders. Mrs. Sukut, had lived her life on the flat prairies was simply amazed at the mountains. She had heard that they were huge mountains of rock but could hardly believe her eyes when she saw them. Needless to say, they thoroughly enjoyed the trip.

Mr. and Mrs. Elmer Hellevang of Ladner, B.C. announce the birth of a son on July 10.

In spite of a pounding rain storm that lasted until almost midnight, a merry crowd gathered last Tuesday in Ole Ueland's new barn for a good old fashioned barn dance. True, the barn wasn't old fashioned in the least with its gleaming metal roof and plywood lined interior, but the spirit was there just the same, and the music was supplied by instruments used since the pioneers' danced in their log barns: fiddle, guitars and a banjo, all played by local people. A plentiful lunch was served by the ladies and everyone had a splendid time.

Carol Nelson has been spending a few days of her summer holidays with her sister, Margaret Umschied.

Mr. and Mrs. Tooke Beckner and son Denny and Mr. and Mrs. Peterson and family spent a few days in Banff after attending the Stampede. Then Mr. and Mrs. Beckner, Denny and Jimmy Peterson took a motor trip south. They stopped at Waterton Lakes, Helena, Great Falls and came back through the Logan Pass. They report that the weather was beautiful until they got back to Lethbridge and then they ran into the rain and mud.

Mrs. Lloyd Dankworth of B.C. has been visiting her sister, Mrs. Donald Brinker for a short holiday.

Mrs. Dora Gerding has now joined her husband, manager of the A.P. elevator, to take up residence in Milo.

Mrs. Charlie Carson spent some time at Red Deer visiting her mother and father, Mr. and Mrs. Robson.

The United Ladies Aid are to hold their next meeting on July 29 at the home of Mrs. Alvina Page. Because of so many people of the district are holidaying, this month, it was decided not to have any fund raising activities so members are asked to remember that personal donations will be accepted at the meeting.

Vacation Bible school in Milo has been changed to Aug. 4 to 8. Mr. and Mrs. Roy Page, Mrs. Armstrong and Francis Clements took a motor trip to Montana, returning last Friday.

Mr. and Mrs. Tom Beckner and Mr. and Mrs. Wilf Bittorf are taking their families on a holiday through Waterton Lakes park and up the new highway to the Highwood forest reserve. It is reported to be a beautiful drive.

Mr. and Mrs. George Nelson announce the birth of a son on July 14.

Mr. and Mrs. Charlie Carson and Mr. and Mrs. Lewis Ivers motored to Great Falls for a few days. The world isn't so big after all because while down there they met Mr. and Mrs. Tooke Beckner who were just leaving the city.

Many have been the complaints and sighs for the good old days when school fairs brought their yearly competitions for the young people. Well maybe we haven't

any school fairs but we do have a County Fair, so why not support it. Last year the participation in the fair from Milo was most negligible and it is to be hoped that this year it is better. Granted, it is a new idea for this part of the country and will take getting accustomed to, but why not get out your County Fair bulletin which was mailed to you a couple of months ago, and see if you haven't something you could enter. It could be a lot of fun as well as good experience if entered into with the right spirit. Also, let's support our candidate for queen, Miss Sharon Taggart. It is going to take a lot of tickets to put the crown on her head because other districts in the County are really working for their candidates. So let's stop bemoaning the passing of old days and school fairs and concentrate on making this year's County Fair really something to be remembered by old and young alike.

### QUEENSTOWN

Ostin Johnson, age 83, died in Calgary at the General Hospital, on Friday, July 4. Interment took place in the Queenstown Lutheran cemetery, Tuesday, July 8 at 2 p.m.

Mr. Johnson was born in Tebbe-mark, Norway on April 13, 1870. He came to Maxville, N.D., in 1903 with his wife and family. In 1907 they came to Queenstown district and took up a homestead, one mile east and 3 1/2 miles south of the town. He resided there until 1948, when Alex, his son, bought the farm. He spent his remaining years living with his different children.

His wife predeceased him in February, 1946.

He leaves to mourn his loss, three daughter and five sons; 23 grandchildren; 33 great-grandchildren and 3 great-great-grandchildren.

Congratulations to Mr. and Mrs. George Nelson on the birth of their son on July 14 in the Vulcan hospital.

Mr. and Mrs. Wray McCallum, and Mr. and Mrs. Stanley Godkin have gone for a trip through the States.

Mrs. Clara Kingsmith of Calgary is home visiting her parents, Mr. and Mrs. P. Soli.

Mrs. Tony Hodges of Calgary is home visiting her parents, Mr. and Mrs. M. Popoff.

Queenstown was well represented at the Blood Donors Clinic in Arrowwood on the 17th.

It is getting to be almost as wet as last year. We have been blessed with lots of showers lately. It will no doubt help some of the hailed crops.

Mr. and Mrs. Alex Johnson and family have motored to Lacombe.

Jimmy Ferguson of Calgary is spending the holidays with his cousin, Grant Laid.

Mr. and Mrs. Herman Splidt of Cluny were Sunday guests at the home of Mr. and Mrs. Jim McLaughlin last Sunday.

Sandra Smith of High River has returned home after spending part of her holidays with Patsy Gerun.

Alan Gerun, Electrician's mate, is home on leave from the navy. He spent a year on the ship Cayuga, over in Korea. He will leave for the east coast in August where he will receive further training in his course.

Mr. and Mrs. Viv Gerun and family spent last weekend in Cardston.

### CUTWORM DAMAGE PRECAUTIONS

By H. G. L. Strange  
The Dominion Entomologist has just issued a cutworm forecast for 1952. Areas in Alberta, Saskatchewan and Manitoba will be affected. There is a simple method which has been found to work well to prevent much of the cutworm damage. It is as follows: Complete all summerfallow work and destroy all weeds on summerfallow by the end of July. Then leave the summerfallow fields undisturbed—taking care that no people or cattle or horses walk across the fields—until about the 15th of September, for during this period i.e. from August 1st to September 15th, the moths fly and are laying their eggs. If the summerfallow is clean and the land has not been disturbed a crust has formed and the cutworm moths will not lay their eggs in fields that are free from weeds and crusted. If, however, in spite of all this a tall weed growth has developed by the third week in August, it is better to give one cultivation and destroy such weeds, particularly in areas where there was a severe infestation of the red back cutworm this present season.

Further information on cutworm control can be obtained by writing to the Field Crop Insect Laboratory at Lethbridge, Alberta, or Saskatoon, Sask.

### STOP THESE DROWNINGS

An "unsinkable" bathing suit has been invented by a man in Morecambe, Lancashire. Made of buoyant material sandwiched between a double layer of water repellent fabric, the costume has been praised by expert swimmers, non-swimmers and children who have tested it. Expert divers say it causes a quick levelling off, removing all fear of 'hitting the bottom.'

### BRITISH TANKER FLEET WORLD'S LARGEST

The British tanker fleet, so ravaged in wartime, is once again the biggest in the world. In the first six months of this year U.K. tonnage rose by 225,000 tons to 7,145,180 tons, or 22.9 per cent of the world total. The U.S. fleet represents 22.63 per cent.

Statisticians reporting that sport fishing is big business in Canada, estimate it is worth an annual \$80,000,000 annually.

on August 5th

### BECAUSE

1. MORRISON believes in DEMOCRACY and not AUTOCRACY. He believes any move to form Counties, Large School Divisions or Hospital Districts should provide for a voice of the people concerned, with the majority vote being acted upon.
2. MORRISON believes influence should be exerted to have No. 23 Highway completed with hard-surface as quickly as possible.
3. MORRISON believes better engineering practices should be used in our highway construction so as to give longer life and less maintenance.
4. MORRISON believes the Province should use its SURPLUS of around 70 MILLIONS for a Revolving Fund to assist municipalities, schools and hospitals in their financing; not as GIFTS but as interest-free loans. This would mean large savings to taxpayers.
5. MORRISON believes a greater share of educational costs should be borne by the Province.
6. MORRISON believes where large sums of public funds are involved full information regarding contracts and bids should be made available to all legislators as a check on excessive expenditures.

Mrs. Roy Burns spent a few days in Calgary recently visiting at friends and relations.

The Grange Hotel has received a new paint job and has made a great improvement to that particular corner of town. We hope to see more of the same and be able to put Carmangay on the map as the brightest little town on Highway 23.

Mr. and Mrs. Bill Downing of McLeod were weekend guests at the home of Mr. and Mrs. D. H. Russel.

Mr. and Mrs. Forbes of Vancouver have been spending a short holiday at the home of Mr. and Mrs. Alf Wynn.

Hospital patients as of Sunday, July 20 are: Bob Hubka, Chas. Boner, Mr. Law, Mrs. Knight, Mrs. Cross, Mrs. Teskey and Mrs. Bloxham and baby returned home a few days ago.

The hospital was presented with the flowers used in the dedication ceremony that was held at the United Church, Sunday, July 20.

Work on the new addition to our Hospital seems to be growing by leaps and bounds. It is hoped that with the wonderful co-operation from the volunteer workers it should be in use within a very short while.

The new slate of officers for the Carmangay Lions Club for the term of 1952-53 were installed at their meeting July 15. Rudy Hubka, president; Secretary, P. V. Plourd; Treasurer, James F. Miss Pat Nugent has been spending a holiday in Calgary taking in the Stampede and visiting friends and relations.

Mrs. Paries of Saskatchewan was a recent visitor at the home of her daughter and son-in-law, Mr. and Mrs. M. F. Cross.

### Crops and General Weather Conditions.

The crops in and around Carmangay look better than they did at this time last year, but of course the year all around is considerably different. The moisture conditions are much above average for the month of July, but lots of hot weather is needed to bring the crops along. Some hail has been reported, and east of town, about 50 per cent damage is reported, but on a very small area. We all hope for a break in the weather so we can see some of that sun they talk about in Sunny Southern Alberta.

### LADIES' ALTAR SOCIETY

The monthly meeting of the Altar Society was held at the home of Mrs. Rossela Hubka July 15, with average attendance and one visitor, Mrs. J. Bach.

Minutes of the last meeting were read and approved and members are to have their quilt blocks finished for the next meeting August 12 at Mrs. Buehla Hubka.

It was suggested that outfits be purchased for the Altar Boy or material bought and made by the members of the club. Mrs. Helen Hubka thanked the ladies for the lovely Communion Breakfast they served to the many parents and children that attended Church the previous Sunday.

Father Lebel of Lethbridge informed the club that he has been given the Carmangay, Barons, Nobleford parish for another year to which the members were very glad and expressed their thanks.

The raffle was won by Father Lebel, and Mrs. Hubka served a very delicious lunch.

### Former Village Doctor Passes At St. Paul, Alta.

Word was received recently of the death of Dr. Michel Shulhan, formerly of Carmangay. At the time of his death he was living at St. Paul, Alberta, where he took up residence nearly three years ago upon leaving here. His death was caused as the results of a very sudden heart attack.

The remains were forwarded to Saskatoon for the burial. He leaves to mourn his wife and three children, his parents, and one brother.

### PALTRY IS THE WORD FOR IT (Victoria Colonist)

The new deal promised recipients of the "war veterans (burnt-out) allowance has turned out to be the old one very slightly warmed up. As usual when it comes to easing the burden of the men whose active service has prematurely aged them and impaired their earning power, the niggardly approach is in evidence. Give them as little as possible seems to be the motto. Why?

See alongside the handsome pension which M.P.'s have just voted to themselves, for life, the adjustments are paltry. A single recipient's allowance goes up from \$40 monthly to \$50, and a married recipient or widow with dependent will get \$90 monthly instead of the former \$70. Federal authorities can rest assured they will not wax unduly fat on these amounts.

The new deal makes sure they don't wax fat on any account. If a burnt-out veteran manages despite his physical limitations to earn something extra for himself and family the curb is applied too. A single recipient must not enjoy a total income of all kinds of more than \$60 a month, a married recipient of more than \$100 a month, except at the risk of having his allowance cut accordingly.

An old-age pensioner may have a private income of \$10,000 a year without effect on his pension. An M.P. may have equally substantial financial returns without effect on the ample pension he has recently voted himself. But the worn-out veteran of a war that sapped his strength and cut short his heyday is held to a standard of living subnormal by all present criteria. The M.P.'s who permit this situation while enriching their incomes ought to be ashamed of themselves.

### THOSE WONDERFUL PENSIONS

No wonder the M.P.'s were so fast in voting pensions for themselves, says The Financial Post.

Now qualified for full pension are a group of 12 including Earl Rowe, Gordon Graydon, Joe Harris and Hughes Cleaver. When the next session of Parliament meets, there will be 87 qualified for some pension.

What's more, some M.P.'s who thought of retiring at the next election are reconsidering. One more round and some will qualify for the full pension of \$3,000 for the rest of their lives. Members first elected in 1940 could put up \$45,543 next November and qualify immediately for a life pension of \$2,754 a year.

Ancient pastime: Dice-playing has been traced back almost to the beginning of history and there were sharpies even in that era because loaded dice have been unearthed in the ruins of Pompeii.

666 M.P.H. — A British Vickers Supermarine "Swift" swept-back-wing jet fighter recently flew from London to Brussels in 18 minutes 3.3 seconds—an average of 665.9 m.p.h. for the 200.38 miles. The timing was done by the Royal Aero Club. "Swift" fighters are in full production for the R.A.F.

## SOCIAL CREDIT Share the Wealth Program

- Will share the Wealth of the Province with local governments in greater measure than ever.
- Assistance to all citizens by means of government-subsidized, voluntary hospital "extra" insurance. Under the scheme proposed, citizens may take out a very cheap insurance and ensure X-ray, Operating Room and Medicines, when they require hospitalization.
- Will set up a new fund which will allow the Rural Electrification Associations to secure loans repayable over a period of ten years, which will reduce the down payment to as low as \$150.00 per member. The citizen will be able to secure his electric power with a minimum of initial capital outlay and will after ten years or less own his whole system.
- Will provide \$100,000,000 for Highway Construction during the next five years. \$171,000 for Highway No. 24 in the 1952 estimates: MOSSLEIGH TO CARSELAND BRIDGE.

## You're always ready for harvest time with a Massey-Harris Combine

Conditions at harvest time for taking off the crop may be good or bad according to the action of the weather. But when you are mechanized with up-to-date combine equipment you're ready to go when the crop is right in good weather and you can make the most of any favorable conditions during the difficult seasons. Combine harvesting is the easy, low-cost modern way to harvest under normal conditions and in many tough years the combine method has saved the day for farmers.

A modern combine, too, simplifies the harvest labor problem—many farmers handle their crop with little or no extra help at harvest time.

For years Massey-Harris combines have been noted for their outstanding ability—your Massey-Harris local dealer will be glad to give you full details about the latest models.

## Take Your Time ... Not Your Life!

Excessive speed is one of the highest single factors involved in highway fatalities. High speeds resulting in miscalculations in judgment or mechanical failure, cause many daylight accidents. Night driving at a speed beyond your lights step up the killing pace. All these accidents would not happen if one of the drivers involved in each case hadn't judged himself either too smart, too skillful, or too lucky to have an accident.

## ARMADA

Wallace and Charles Anderson were recent guests at the home of their brother-in-law and sister, Mr. and Mrs. A. Marks.

Mr. and Mrs. S. Bohnet and Bryan left on a two-week vacation visiting relatives in Manyberries and Lethbridge. They will spend a day at the Medicine Hat Stampede.

Miss Clara Magnuson of Calgary is at present visiting her parents, Mr. and Mrs. I. Magnuson, prior to her marriage.

Mr. and Mrs. A. Marks and family accompanied Mr. and Mrs. E. Anderson and family of Milo and Mr. and Mrs. C. Barrett of Pickering, Ont., to Kananaskis Park and Banff on Sunday.

Miss Doreen Marks has been a visitor at the home of her uncle and aunt in Calgary.

H. Craine, G. Stokes, O. Herman and R. Beagle spent Wednesday fishing west of Nanton. They report a fairly good catch.

A severe hail storm swept through the Armada district a week ago Wednesday wiping out several crops and gardens completely and severely damaging others. All farmers can hope for now is that late crops will recover and that "Jack Frost" and "Old Man Winter" will have a little pity on them.

Calgary Stampede visitors were Mr. and Mrs. C. Stokes, Mrs. Birkeness and Vic, Mr. and Mrs. L. Stokes, Mr. and Mrs. H. Howell and Darrel, Mrs. T. Marks, Jimmy, Sharon and Leonard Marks, Allan Valle, Mr. and Mrs. S. Marks and Gary, Mr. and Mrs. S. Chambers, Ross, Allan and Ronnie, Mary Magella, Mr. and Mrs. W. Brotherhood and the Boes, accompanied by Mrs. Boe's sister and niece, Mrs. Allen and Evelyn.

Mr. and Mrs. G. Brotherhood are visiting in the United States for three weeks. They will be guests of Mr. Brotherhood's sister and Mrs. Brotherhood's two sisters in Michigan.

Maurice Henrickson has returned to the Sanatorium after a brief visit with his parents in the district. Mr. and Mrs. D. Henrickson and son Mark have returned to their home in Nanaimo, B.C.

Mrs. H. Howell attended the wedding of Miss Ethel Shanks while in Calgary last weekend.

The local show will commence again on Thursday in the Community hall at 8:30 p.m.

Recent guests at the L. Stokes home were Gail Kunkle, Charlie and Peter Stokes of Lomond and Dougie Lee of Milo. Mrs. Betty Lee is at present visiting at the home of her sister, Mrs. L. Stokes.

Mrs. Jack Marks has returned to her home after being a patient in the Vulcan hospital.

Mr. and Mrs. R. Valle and family were Calgary Stampede visitors.

W. Marks was a business visitor to Calgary last week.

Vic Birkeness and Harold Magnuson spent a few days in Claresholm last week attending Bible camp.

Mr. and Mrs. Larry Hagg and family and Mr. and Mrs. Bud Gillday and son Lorne of Calgary were weekend guests of Mr. and Mrs. C. Stokes. The Hagg children stayed with their grandparents while their folks attended the Stampede.

Mr. and Mrs. O. Herman left on a vacation. During their absence, Mr. and Mrs. L. Herman of Calgary are taking care of the children.

Hail adjusters have been in the district tending to their duties.

An epidemic of propane fridges and stoves seems to have hit the Armada district as several of these wonderful appliances have been installed in many of the district homes. I wonder what our ancestors would say if they could see the modern kitchen of today.
